* The MSCI World Women's Leadership Select Index is based on the MSCI World Index, its parent index which includes large and mid-cap stocks across Developed Markets countries. The MSCI World Woments Leadership Select Index aims to represent the performance of companies that exhibit a commitment towards gender diversity among their board of directors and among the leadership positions. The index aims to include companies which lead in their respective countries in terms of female representation in Board and in leadership positions. The weight of each sector in the index is equated with the weight of that sector in the Parent Index at the time of rebalancing. *Historical index performance for periods prior to April 1, 2024, is based on the MSCI World Index.

** Other includes currency contracts.
